**Somewhere Over  
The Rainbow**

Somewhere Over  
The Rainbow

A little girl was sitting on the ground, looking up at the sky.  
She was thinking of a place where the clouds were soft and white,  
And the rain was like a gentle kiss, and the sun was like a warm smile.  
She was thinking of a place where the flowers were all different colors,  
And the birds were singing songs that were sweet and true.  
She was thinking of a place where the stars were like diamonds,  
And the moon was like a silver coin, and the wind was like a whisper.  
She was thinking of a place where the world was perfect,  
And the love was like a warm blanket, and the peace was like a soft blanket.  
She was thinking of a place where the world was perfect,  
And the love was like a warm blanket, and the peace was like a soft blanket.
